

CHART NEW TERRITORIES.

The all-new Mazda BT-50 defies the conventional image of a pick-up with its modern and revolutionary styling. Distinctive details like the front Dynamic Prominent Fenders and the unmistakable Mazda five-point grille speak to our endeavour to move to an even higher level of design and engineering.

The new BT-50 is an Active Lifestyle Vehicle for those who live for the weekend. Whether it's taming the urban landscape or tackling rugged terrain, the Mazda BT-50 delivers on uncompromised adventure.

All in all, the all-new Mazda BT-50 is shaped by our belief that wherever our cars take you, excitement will always be the destination. This is a feeling we like to call Zoom-Zoom.

BRAWN HAS NEVER LOOKED THIS REFINED.

IN A CLASS OF ITS OWN.

The power and performance of an SUV meet the ride comfort of a passenger car, placing the Mazda BT-50 in a category of its own. The horizontally-aligned rear lamps give a sense of motion and speed and clearly differentiate the BT-50 from other pick-ups. The front suspension is designed in a double-wishbone layout with coil springs while the rear has a rigid axle with leaf springs, giving superior ride comfort no matter where the trail leads you. The BT-50 is in a class of its own with top of class towing capacity of up to 3350kg so that your leisure equipment is always on hand.

CONQUER THE OUTDOORS IN STYLE. The Mazda BT-50's spacious seating gives driver and passenger the smooth driving experience of a sedan, while the sporty styling and responsive handling translate to absolute driving bliss. The generous storage space is seemingly as boundless as the outdoors. Added to this is the 1.5 litre glove compartment on the driver's side and an overhead console, while the glove box capacity on the passenger's side has been increased to an ample 12 litres. Other storage furnishings like cup and bottle holders feature throughout the cabin to ensure that everybody has a place for personal items. Smarter still, is the Freestyle Cab unique door system that opens to an angle of just under 90 degrees to allow for easy access and even easier loading.

DESIGNED FOR A SAFER DRIVE.

that contributes to high-speed stability, fuel economy and reduced cabin noise. All models feature twin-piston calliper front 16-inch disc brakes for even better braking performance. For true peace of mind, the BT-50 is equipped with advanced safety features like 4W-ABS, Emergency Brake Assist (EBA) and front, side*and curtain* airbags amongst many others.

What's more is that the Dynamic Stability Control (DSC)*, Traction Control System (TCS)*, Load Adaptive Control (LAC)*, Trailer Sway Mitigation (TSM)*, Roll Over Mitigation (ROM)*, Hill Launch Assist (HLA)*, Hill Descent Control (HDC*- 4WD only) and the newly adopted rack-and-pinion steering all combine to give you the most Zoom-Zoom.

* Feature available on certain Mazda BT-50 models. Please refer to the specifications pages for further details.

Mazda WILDLIFE FUND.

We are dedicated to protecting and preserving the rich and irreplaceable heritage of our nation. Driven by this commitment, we reach out far beyond our vehicles, showrooms and factories to nurture our wildlife through the Mazda Wildlife Fund. Since 1990, we've invested over R27,5 million into the Fund, and are committed to a future investment of R1,5 million per year, contributing towards a multitude of scientific endeavours critical for the survival of our country and planet in areas such as education, conservation and research.

We currently support 29 non-government and non-profit organisation projects. There's such beauty in our natural habitat, an irreplaceable magnificence that we are fortunate enough to experience. Being able to share this with generations to come is one of the main goals of the Mazda Wildlife Fund.

At the Mazda Wildlife Fund we care about every aspect of protecting our wildlife.

Please go out there and enjoy your adventure, but always be aware of our delicate environment and take every precaution to protect it for future generations.

Are you driven to find out more? Join our Facebook page www.facebook.com/mazdawildlife Visit us at www.mazda.co.za, www.facebook.com/MazdaSA, or www.twitter.com/ZoomZoomSA

MAZDAMOTION. COMPLETE PEACE OF MIND MOTORING

What is MazdaMotion?

MazdaMotion is a collection of value-added services and products that allow you to enjoy a hassle-free driving experience. Within MazdaMotion, the Mazda BT-50 offers a 5-year / 90 000km Service Plan, 4-year / 120 000km Warranty and 3-year Roadside Assistance, along with a hand-selected group of Mazda Approved Body Repair Centres. You will always have the advantage of a highly-trained Mazda Dealer Network and a team of dedicated Mazda people ready to back your car to the hilt.

The MazdaMotion Service Plan

To protect you and your investment, MazdaMotion has designed a service plan to suit your needs which covers scheduled services for 5 years or 90 000km, whichever comes first. These operate alongside the Mazda 4-year / 120 000km warranty, not in place of it.

The MazdaMotion Roadside Assistance

This is a standard, 3-year assistance plan courtesy of Mazda Southern Africa and The Automobile Association of South Africa. It guarantees every Mazda owner total peace of mind every minute of the year and includes toll-free calls and services such as free towing, "rescue" due to minor or major mishaps and emergency medical help.

The MazdaMotion Warranty & Extended Warranty

All Mazda vehicles are backed by a 4-year / 120 000km Warranty, which can be extended by a further 2-years / 80 000km (whichever comes first). You can spend more time living your life and less time worrying about your car. You may take advantage of this innovative opportunity by purchasing the MazdaMotion Extended Warranty option.

The MazdaMotion Approved Body Repair Centres

Mazda Southern Africa has established a countrywide network of Approved Body Repair Centres. These centres ensure that all repairs meet our meticulously high standards. We offer detailed cost estimates, minimal inconvenience, help with claims, professional repair work and courtesy services. Paint, body and workmanship are guaranteed.

Colours, Specifications and Accessories shown on this brochure may differ from the actual vehicle due to the varied display capabilities of this document. The colours, specifications and accessories shown may not be available at the time of order due to stock availability and/or discontinuation of range by the supplier. All colour, specification and accessory changes will be communicated to the Dealer network as and when they happen. Copyright subsists in this material and permission to duplicate any part thereof should be sought from Mazda Marketing. Compilation date 10.07.12

All children instinctively know it / A few adults still remember it / One unique car company refuses to outgrow it / In grown-up language, it means the exhilaration and liberation that comes from experiencing sheer motion / But, as usual, children put it much better, and simply call it Zoom-Zoom / We practice it every day, it's why we build the kind of cars we do.

Mazda, Always the Soul of a Sports Car.
